DIGITAL MAKERS

Are you interested in art, craft, making?
Want to try something new?

We'd like to invite you to our Lunchtime Chats to show you the Digital Makers project..

Digital Makers is an exciting opportunity for anyone aged 50+ to learn more about making art using computers and machines in FabLab Belfast.

FabLab is a place where you make almost anything... From small 3D printed sculptures to large pieces of furniture.

We are running free workshops where our friendly staff will be on hand to teach you how to use the software to make awesome art, and have some fun as we do so..

Absolutely no previous experience required.

25th April - 12-1pm

26th April - 12-1pm

2nd May - 12-1pm

Lunch will be provided for FREE
