On the 5th of March 2020 Newry/ Down area organised a fantastic workshop in partnership with Turas, an Irish language initiative based at East Belfast Mission. Project leader, Linda Ervine delivered a presentation on the development of the language in protestant communities. The group also received the Conn O’Neill tour, telling the story of the last King of Castlereagh. The event was strongly supported by Newry/ Down District Council. There were 25 attendees from the Building Positive Relations Project.
